Photo Policy - Consent/Denial

In an effort to keep the community up-to-date on events, the Academy will, on occasion, invite local media representatives into our school to photograph special programs and events. Media representatives register at the main office upon their arrival and are always escorted to the designated area from which they can take photos or video publications. We do not allow media representatives to interview students on school property unless academy personnel accompany them. Academy personnel will also take pictures of classroom activities and/or individual students from time to time for either release to the local media, use in the Academy web site, or for Academy media or brochures. Identification of students is always limited to name, school, and grade.

Please note: Permission to photograph a student either individually or in a group, and to use any photograph for any school purpose, is assumed until you specifically request your child's photo not be used.

This information will be kept on file in the student's records.
